SUE HERSHEY FOR MARTIN COUNTY SCHOOL BOARD**

Narration

Sue Hershey

(at a brisk pace; with enthusiasm)

This is Sue Hershey, and I know a school district's achievement is measured by the success of its children.

That's why I provided the resources for our schools to earn 13 A grades.

It's also why I worked with the community to attain the lowest dropout rate in Florida.

If re-elected, I will continue to put our children first (pause) and provide students, teachers and support staff the tools to succeed.

On August 31, please vote for me, Sue Hershey, Martin County School Board, District 2.
